

Thank you MC

Good evening, Ladies and Gentlemen,

We are delighted to have you as our guests on this special and joyful night.

It is an honor for me to be here with friends and family.

I would like to thank all members of the Committee for their effort and time to make this event possible.

Sometime after a long separation, this kind of reunion brings us back together.

It strengthens our relationship which makes our friendship grow stronger.

We are one big family, Khmer Air Force family and never lose sight of our origin and identity.

We are proud of our past to defend our beloved country and very fortunate to be alive today.

We have shown our capability and power in front of the enemy. Several times we have transformed a great number of battles from defeat to victory.

We have lost many of our dear friends but will never forget them.

They will be remembered for their bravery, courage, and the love they had for our Cambodia.

Tonight we salute them! May their soul rest in peace.

I believe we need to continue to have reunion to keep our Air Force spirit alive and friendship strong.

I would like to see our children and future generations take over the torch and keep it lit, and carry on the value and legacy of the Khmer Air Force Veterans.

Thank you! God blesses you!

Enjoy your evening.
